

Do you remember how you felt when you  
awoke in unfamiliar surroundings?  
Imagine you're a child patient in a hospital and  
how lonely it must feel.

But what can I do, you ask?

Well, the answer is simple; join us in starting a  
new OVR Regional tradition.

## The 500 Smiles Grand Prix

All Teams, Drivers, Crew Members, and  
Workers are invited to donate a toy, which will  
benefit the patients at Ohio Children's  
Hospitals. It can be as simple as a Hot Wheels  
car, a stuffed animal, or a game.

You will be giving miles of smiles and who  
knows, one of those kids just might be the  
next corner worker, car owner, or OVR  
champion.
